

GUIDELINES AND ACKNOWLEDGMENT FOR PUBLIC SERVICE WORK

In order to be eligible to perform supervised community service work, also commonly known as public service work, the defendant will be asked to sign and acknowledge understanding the following:

I, the undersigned, do fully agree and understand that I am to work labor free for the \_\_\_\_\_ beginning \_\_\_\_\_, for \_\_\_\_\_ days and/or for my fine in the amount of \_\_\_\_\_ at the rate of \_\_\_\_\_ dollars per day. I further understand that if I fail to complete the above community service work as ordered, or if I fail to comply with any other conditions imposed by the Court, I will be required to serve the full number of jail days originally sentenced.

Failure to report to work will revoke the work program and my remaining fine will be served in the County or the City jail.

I, the undersigned, agree and acknowledge that the labor which I will provide for the \_\_\_\_\_ is free and said labor is voluntarily given in lieu of fine or in the hopes of having some of my jail sentence suspended.

I further agree and acknowledge that if I do not perform said labor in a satisfactorily manner, that the jail sentence may be reimposed by the Washington Court House Municipal Court, and if currently serving a jail sentence, that my jail sentence may not be suspended.

I further acknowledge that I am not coerced or forced to provide said labor and that I have the right to stay in the Fayette County Jail if I so desire.

I further understand and agree that I am not an employee of the \_\_\_\_\_ nor am I subject to Workman's Compensation laws or Unemployment laws of the State of Ohio nor am I subject to the Federal Social Security law for the labor which I provide for the \_\_\_\_\_.

I further understand and agree that I am not to receive wages, salary or compensation of any other type which would be subject to the Internal Revenue Code for labor to be provided to and for the \_\_\_\_\_.

I further acknowledge that I am performing said labor at my own request for the opportunity to do so presented by the Court in regards to a misdemeanor conviction against me which will more fully appear in said Court records.

I further understand that my labor is subject to the supervision of the \_\_\_\_\_ and will not exceed days, as mandated by the Washington Court House Municipal Court, Washington C.H., Ohio.

I further acknowledge and understand that if I am presently incarcerated in jail, and if I should not return to jail when I am suppose to, that I may be charged with escape. If subsequently so convicted, any sentence will be served consecutively to the sentence which I am now serving.

The defendant hereby acknowledges to the Court that he does not have any physical or mental disabilities which would prevent him from doing physical labor.
